

[Advanced System Repair Pro 1.8.1.5 Key](#)

The screenshot shows the main interface of the Advanced System Repair Pro software. At the top, the title bar reads "Advanced System Repair Pro". Below the title bar, on the left, is the software's logo (a shield with a gear) and the text "Advanced SystemRepair Pro". To the right of this is a key icon and an orange "Activate Now" button. The main area is divided into several sections: "System Status" on the left, "PC Scan Options:" in the middle, and "System Details" on the bottom left. The "System Status" section shows a green checkmark icon, "Last Scan Date: 24/03/2018", "Current Unfixed Issues: 0", "Realtime Protection: ON" (with a green indicator), and "Realtime System Care: OFF" (with a grey indicator). The "PC Scan Options:" section lists various tools with checkboxes, all of which are checked: Malware Cleaner, System/Registry Cleaner, Security Holes, Startup Optimizer, Disk Defragmenter, Privacy Cleaner, System Optimizer, Junk/Clutter Cleaner, Driver Update, and Repair Corrupted Files. In the center of the interface is a large green circular button with the word "SCAN" in white. The "System Details" section lists: Windows 10 Pro, AMD Phenom(tm) II X4 965 Processor, 16 GB, and AMD Radeon HD 6800 Series. At the bottom left, the version number "1.6.0.0.18.3.24" is displayed. At the bottom right, the logo and name "Advanced System Repair, Inc" are shown.
